DEPARTMENTAL BULLETIN NO. 3

13 April 2000

**DEER PERMITS FOR ACTIVE NEW JERSEY NATIONAL GUARD MEMBERS
(CIO-GS-RP)**

1. Eligible active New Jersey National Guard personnel are entitled to **ONE** free firearm (shotgun or muzzleloader) permit and **ONE** free bow and arrow permit for deer hunting by going through the same lottery process as other hunters. Only **ONE** application form is needed for the first and second lottery. Applicants will have the same odds as other hunters applying for permits in both lotteries. Specially numbered forms must be submitted by NJDMAVA, (CIO-GS-RP) to the Division of Fish Game and Wildlife for the lottery drawing.

2. For the first lottery, a **National Guard Deer Permit Application** (Encl. 1) must be submitted by an individual qualified to get a chance at the "free" bow and arrow and/or firearm (shotgun or muzzleloader) permit. Appropriate license stubs must be signed and affixed to the application.

3. Applicants may apply for up to four deer permits. One free bow and arrow and/or one free firearm (shotgun or muzzleloader) in the first lottery. For the second lottery, qualified New Jersey National Guard applicants may also apply for a chance at one firearm (shotgun or muzzleloader) and/or one bow and arrow permit at the regular cost (\$28.00) for each permit. Check must be made payable to "NJ Fish, Game and Wildlife" and should specify "bow" and/or "shotgun or muzzleloader" (\$28.00) for one or (\$56.00) for both. Check must be attached to application. **Submit one application only. Do not submit another application for the second lottery, as your check is the entry.**

Do not submit the Deer Permit Application found in the Fish and Wildlife Digest. Only National Guard Deer Permit Applications, (revised March 2000) will be accepted. All other applications will be rejected and returned.

THERE IS NO EXCEPTION TO THIS REQUIREMENT.

4. Application must be filled out completely, clearly and correctly and must have signed license stub(s) attached to avoid rejection and return. All information on application must be printed in block letter form. Rejection of application may result in missing application cut-off date. Application reproduction is authorized at the local level but application will not be altered in any form.

5. Be sure to enter choice of hunting zones for bow-arrow and/or firearm. Be sure to enter **M** (for muzzleloader) or **S** (for shotgun) in the firearm section of application. All applications must go through this office. Do not mail National Guard Applications directly to Division of Fish, Game and Wildlife as they will be rejected and returned.

6. Mail application with signed license stub(s) attached plus LES showing active training within 90 days of date of application and a check for second lottery to following address:

NJ Department of Military and Veterans Affairs
